### RAFTING FOR CADETS

Our Cheakamus Splash rafting adventure is perfect for Cadet groups of all ages and anyone else looking for a fun and gentle rafting trip. The trip starts and finishes at our fully-equipped adventure base in the Squamish Valley, a gorgeous 1.5 hour drive from Vancouver and Whistler. The rafting trip itself is approximately 90 minutes in length (depending on river conditions) and features small splashy rapids (no large rapids whatsoever), outstanding scenery, and lots of smiles. On any given day you'll see lush forests, a variety of wildlife, towering peaks and glaciers, and waterfalls on the mountainsides. This adventure is a great opportunity to take the cadets out for a day they'll really enjoy.

Looking for something even more adventurous? Ask us about our Elaho Exhilarator rafting adventure, perfect for groups age 13 and older and weighing a minimum of 90 lbs or 40 kg.

#### AGE & SKILL REQUIREMENTS

Participants must be 5 years of age or older to take part in this adventure. You don't need to have any previous rafting experience or strong swimming skills to participate in this trip. Everyone will be required to sign a waiver. Anyone under the age of 19 will need a parent or guardian to sign the waiver prior to the trip departure.

#### WHAT'S INCLUDED? WHAT DO I NEED TO BRING?

We include all the equipment required to raft, certified friendly raft guides, use of our adventure base (campfire area, volleyball, and other games, large covered eating areas, washrooms), and smiles! It is very important that everyone bring clothing appropriate for the weather and for getting wet. A change of clothes and a towel are always a good idea as well, especially as most kids groups like to splash each other with their paddles! On most departures you'll have the option to purchase a photo CD of your rafting trip.

#### DEPARTURES

Our Cheakamus Rafting For Cadets adventure runs from May to September. We'll meet you at our adventure base near Squamish at 10:00am. The raft trip is approximately 3 hours round trip from our base in Squamish. Custom times may be available.
