ELAHO EXHILARATOR RAFTING FOR CADETS

One of our most popular adventures, this rafting trip is ideal if you're looking for an exciting and memorable outdoor experience. This trip features numerous Class 3-4 rapids on the Elaho and Squamish rivers, as well as, calmer stretches of Class 1-2 rapids making it suitable for everyone. The Elaho River was voted as Canada's best rafting scenery! Your time spent on the river features lots of big waves crashing into the boats, a chance to showcase your sense of balance in some of your guide's amusing challenges and games, and depending on water levels, a chance to swim through rapids. To top it all off, we end with an optional delicious Outback BBQ meal back at our comfortable adventure base near the rivers.
