Q: What is provided?

A: We provide you with a helmet and harness

Q: What should I wear on the trip?

A: Since it is not easy to add or remove layers under a harness, you should choose something that will suit you for the duration of the tour. Comfortable and functional clothing for the outdoors should be worn. Scarves, open jackets or shirts and clothing tied around the waist are not acceptable. Bring appropriate footwear such as hiking boots or athletic shoes. In winter, warm boots are recommended. Open toe footwear not permitted. Backpacks, fanny packs, and shoulder bags are not allowed as they can interfere with the guest's harness. Lockers are available to rent at the Ziptrek mountain base to store personal belongings while on tour. If rain is expected, you should bring your own rain gear. Ziptrek can provide some rain gear (jackets and pants) to guests who do not have their own. Long hair should be held back with an elastic band.

Q: Can I bring a camera on with me?

A: Cameras are encouraged, providing they fit into a zippered pocket. Any loose items must be zipped into pockets prior to riding the zipline. We also have a professional photographer located on site to take adventure shots of you ziplinning which can be viewed and purchased afterwards.

Q: Can I still take this tour even if I've never done Ziplining before?

A: The Eagle tour is recommended for the adventurous beginner. If you are afraid of heights, or have strong hesitation we recommend you try the Bear.

Q: I am under the minimum weight requirement, can I wear a weighted vest to qualify for this tour?

A: NO! The weight restrictions are put in place for your own safety. If you do not meet the minimum weight requirement you will not make it from one side of the zipline to the other. You will get stuck in the middle and it may take a long time to get you down. You will be weighed at check in.

Q: I was recently injured, can I still take the tour?

A: This is completely at your own discretion, however keep in mind that Ziptrek tours require you to have basic fitness as there is walking involved and stairs to climb. You will be required to sign a waiver at check in, which leaves Ziptrek not responsible for any injuries that may occur during the tour. If you have an injury we recommend you consult with your doctor before participating in this activity.

Q: What time of year does Ziptrek run?

A: All year round.

Q: How far in advance do I have to book?

A: We take bookings months in advance or even the day before. It is up to you how last minute you want to leave your booking. By leaving it to the last minute, you take the risk that there will not be any space left during the tour time which you desire.

Q: Can I try rafting and Ziptrek (or another adventure) in the same day?

A: The Elaho River Rafting is a 6 hour round trip tour from the rafting base in Squamish, and 8-9 hours round trip if you're coming from Whistler or Vancouver, it can be quite exhausting. I wouldn't recommend trying these two adventures in the same day as you are likely to get quite worn out and may not have the best experience on your other tour. If you would like to participate in a second shorter adventure of 2-3 hours in the same day we recommend you be a fit athletic adult.

Q: Is there a shop to buy food?

A: There are many shops close by in Whistler Village that you can purchase lunch a quick drink or snack prior to your tour. There is nowhere to buy food or store food while you are out on tour so we recommend you eat before you check in.

Once on tour there are no facilities for you to use for the duration of the tour.
