Your company, like any progressive organization, understands the advantages derived from teambuilding initiatives, such as improved morale, increased productivity and reduced staff turnover, and that continued investment in staff morale is of increasing importance in today's changing workplace.

**Booking your next event in the unique setting of The Delta Victoria Ocean Pointe is a great business move.** Delta won't just take your order, they will contribute to your plan by providing you with unique ideas to improve your meeting and make it distinctive. Team building is important to Delta, they consider this a partnership, and together you will benefit from mutual learning and seize opportunities to continually "raise the bar"! Because you put so much of yourself into your work, you deserve partners who are prepared to do the same. Meet Delta Meeting Maestros.

**Including one of our team building events in your itinerary is also a great business decision.** If you're looking for a beneficial and enjoyable experience together as a team, we have many of our most popular events available, such as the Amazing Chase, CI: The Crime Investigators, The Apprentice, Green Team Eco-Challenge, Secret Agent 007, Corporate Castaways, GPS Geocache, Cake Boss, Vegas Nights Casino and many more.

**Our various team building initiatives are chosen by well-known companies** such as PricewaterhouseCoopers, RIM, Bell Canada, Home Depot, TELUS, Nokia, BDO, Rogers and Microsoft. We are also a preferred supplier to many of Canada's top destination management companies and event planning agencies.

*"The participants were amazed and excited about their experiences during this event. What an impact on our team's morale! To say that your team exceeded our expectations is but stating the obvious. I am so thrilled to have worked with such a fabulous group of professionals."*
