## Now available at the Executive Plaza Hotel & Conference Centre Coquitlam

Since 1992 Canadian Outback Adventures & Events has provided progressive organizations like yours with a unique suite of cost-effective team building events, all planned and executed with extraordinary attention to detail. Your company, like any progressive organization, understands the advantages derived from teambuilding initiatives, such as improved morale, increased productivity and reduced staff turnover, and that continued investment in staff morale is of increasing importance in today's changing workplace.

**Booking your next event at the Executive Plaza Hotel & Conference Centre Coquitlam is a great business move.** They have 9 meeting rooms available to book for your events, with the largest of their facilities seating up to 550 guests. In addition to their beautiful facilities, they offer Video Conferencing, audio-visual support, secretarial assistance, a business centre and a dedicated multilingual conference staff. Whether you would like to confer in the privacy of a Suite, or convene in a grand Ballroom for larger events and conventions, their versatile facilities and talented staff will make your time with them memorable.

**Including one of our team building events in your itinerary is also a great business decision.** If you're looking for a beneficial and enjoyable experience together as a team, we have many of our most popular events available, such as the Amazing Chase, CI: The Crime Investigators, The Apprentice, Green Team Eco-Challenge, Secret Agent 007, Corporate Castaways, GPS Geocache, Cake Boss, Vegas Nights Casino and many more.

**Our various team building initiatives are chosen by well-known companies** such as PricewaterhouseCoopers, Bell Canada, Deloitte, TELUS, BDO, Rogers, Golder Associates and Microsoft. We are also a preferred supplier to many of Canada's top destination management companies and event planning agencies.

*"The participants were amazed and excited about their experiences during this event. What an impact on our team's morale! To say that your team exceeded our expectations is but stating the obvious. I am so thrilled to have worked with such a fabulous group of professionals."*
