**Booking your next event in the unique setting of Four Seasons Resort Whistler is a great business move.** On Canada's breathtaking west coast – just north of Vancouver – Whistler makes a convenient, captivating setting for meetings. Flexible Four Seasons venues flow easily between indoors and out. For group activities, enjoy year-round skiing, championship golf, team building and relaxation in the alpine spa – all with devoted Four Seasons care.

**Including one of our team building events in your itinerary is also a great business decision.** If you're looking for a beneficial and enjoyable experience together as a team, we have many of our most popular events available, such as the Amazing Chase, CI: The Crime Investigators, The Apprentice, Green Team Eco-Challenge, Secret Agent 007, Corporate Castaways, GPS Geocache, Cake Boss, Vegas Nights Casino and many more.

*"The participants were amazed and excited about their experiences during this event. What an impact on our team's morale! To say that your team exceeded our expectations is but stating the obvious. I am so thrilled to have worked with such a fabulous group of professionals."*
