# EFFECTIVE TEAM BUILDING EVENTS

## Now available at the Pacific Inn Resort & Conference Centre

Since 1992 Canadian Outback Adventures & Events has provided progressive organizations like yours with a unique suite of cost-effective team building events, all planned and executed with extraordinary attention to detail. Your company, like any progressive organization, understands the advantages derived from teambuilding initiatives, such as improved morale, increased productivity and reduced staff turnover, and that continued investment in staff morale is of increasing importance in today's changing workplace.

**Booking your corporate event at the Pacific Inn Resort & Conference Centre is a great business move.** It's the ideal facility for all your business or banquet requirements. Choose from the Pacific Boardroom for up to 40 people or pick from a combination of rooms that meet your needs - including the 6,020 square-foot Costa Ballroom for 800 people. They offer the perfect sized room for dinner dances, receptions, weddings, or any style of meeting, and can provide any business amenities you may require.

**Including one of our team building events in your itinerary is also a great business decision.** If you're looking for a beneficial and enjoyable experience together as a team, we have many of our most popular events available, such as the Amazing Chase, CI: The Crime Investigators, The Apprentice, Green Team Eco-Challenge, Secret Agent 007, Corporate Castaways, GPS Geocache, Cake Boss, Vegas Nights Casino and many more.

**Our various team building initiatives are chosen by well-known companies** such as PricewaterhouseCoopers, Bell Canada, Home Depot, TELUS, Nokia, BDO, Rogers and Microsoft. We are also a preferred supplier to many of Canada's top destination management companies and event planning agencies.

*"The participants were amazed and excited about their experiences during this event. What an impact on our team's morale! To say that your team exceeded our expectations is but stating the obvious. I am so thrilled to have worked with such a fabulous group of professionals."*
