EFFECTIVE TEAM BUILDING EVENTS

Now available at Pender Harbour Resort

Since 1992 Canadian Outback Adventures & Events has provided progressive organizations like yours with a unique suite of cost-effective team building events, all planned and executed with extraordinary attention to detail. Your company, like any progressive organization, understands the advantages derived from teambuilding initiatives, such as improved morale, increased productivity and reduced staff turnover, and that continued investment in staff morale is of increasing importance in today's changing workplace.

Booking your next event at Pender Harbour Resort is a great business move. Pender Harbour Resort offers a multitude of activities in an incredibly scenic setting on the Sunshine Coast. Relax and fill your eyes with the beauty and peacefulness of nature — all set against the spectacular ocean and mountains. Whether you plan to stay in their ocean side 10 person chalet, heavenly yurts, or well-appointed cottages, you will find relaxing comes naturally.

Including one of our team building events in your itinerary is also a great business decision. If you're looking for a beneficial and enjoyable experience together as a team, we have many of our most popular events available, such as the Amazing Chase, CI: The Crime Investigators, The Apprentice, Green Team Eco-Challenge, Secret Agent 007, Corporate Castaways, GPS Geocache, Cake Boss, Vegas Nights Casino and many more.

Our various team building initiatives are chosen by well-known companies such as Deloitte, Bell Canada, Golder Associates, TELUS, Nokia, BDO, Rogers and Microsoft. We are also a preferred supplier to many of Canada's top destination management companies and event planning agencies.

"The participants were amazed and excited about their experiences during this event. What an impact on our team's morale! To say that your team exceeded our expectations is but stating the obvious. I am so thrilled to have worked with such a fabulous group of professionals."
