# TEAM BUILDING EVENTS & ADVENTURES

Since 1992 Canadian Outback Adventures & Events has provided progressive organizations with a unique suite of innovative team building events and adventures, all planned and executed with extraordinary attention to detail. Your company, like any progressive organization, understands the advantages derived from team building initiatives, such as improved morale, increased productivity and reduced staff turnover, and that these investments are of increasing importance in today's changing workplace.

**Booking your next event at Poets Cove Resort & Spa is a great business move.** Few places can compare with Poets Cove Resort & Spa for a corporate meeting or incentive or group getaway. Poets Cove offers you the unbeatable combination of chic retreat set in pristine wilderness that's readily accessible to Vancouver, Victoria and Seattle. Add in the expertise of their Sales & Catering Team and the seamless service of their Resort staff, and you're assured a highly memorable event.

**Including one of our team building events in your itinerary is also a great business decision.** If you're looking for a beneficial and enjoyable experience together as a team, we have many of our most popular events available, such as the Amazing Chase, CI: The Crime Investigators, The Apprentice, Green Team Eco-Challenge, Secret Agent 007, Corporate Castaways, GPS Geocache, Cake Boss, Vegas Nights Casino and many more.

**At Canadian Outback Adventures & Events we are also able to provide facilitated events that address specific challenges or issues you are experiencing in your workplace.** Recognizing that our event may only be one element of a bigger workshop, our facilitators work with the client to help maximize their return from the workshops by ensuring the activity is aligned and integrated to achieve the client's desired outcomes. Common themes and outcomes achieved include: **Leadership: focus & inspiration, Strategy: direction & commitment, Structure: clarity & integration, Execution: accountability & results, Culture: alignment & engagement.** Our definition of success is when teams have clarity of direction, focus on their critical issues, and place rigorous attention to the execution of plans they create and own.

**Our various team building initiatives are chosen by well-known companies** such as PricewaterhouseCoopers, Succor Energy, Pharmasave, TELUS, Nokia, AXA-Pacific and Microsoft. We are also a preferred supplier to many of Canada's top meeting planners and destination management companies.

*"I just wanted to send my sincerest thanks and appreciation for yet another wonderful COA experience. Believe me, I am already one of your biggest advocates but it doesn't hurt to be reminded of just what amazing adventures are out there to promote to the rest of my business or personal community! I look forward to bringing as much new business to you all again, soon!!!" Ernst & Young*

TO RECEIVE A CUSTOM QUOTATION FOR YOUR TEAM BUILDING INITIATIVE AT THE POETS COVE RESORT & SPA, please contact your Poets Cove Resort representative, or get in touch with Rob Holden, Canadian Outback Corporate Solutions specialist, at 604-924-4500, 1-800-565-8735, or [rob@canadianoutback.com](mailto:rob@canadianoutback.com).
