# EFFECTIVE TEAM BUILDING EVENTS

## Now available at the Marriott Victoria Inner Harbour

Since 1992 Canadian Outback Adventures & Events has provided progressive organizations like yours with a unique suite of cost-effective team building events, all planned and executed with extraordinary attention to detail. Your company, like any progressive organization, understands the advantages derived from teambuilding initiatives, such as improved morale, increased productivity and reduced staff turnover, and that continued investment in staff morale is of increasing importance in today's changing workplace.

**Booking your next event at the Marriott Victoria Inner Harbour is a great business move.** Business travel sometimes means large-scale business meetings and others are more intimate and reserved only for friends and family. To accommodate both scenarios, Marriott offers a range of business travel hotels and brands, but only one brand of service: The very best. The Marriott Victoria Inner Harbour offers 236 beautifully appointed rooms just steps from the Inner Harbour, and their staff you can count on to make your meeting a success.

**Including one of our team building events in your itinerary is also a great business decision.** If you're looking for a beneficial and enjoyable experience together as a team, we have many of our most popular events available, such as the Amazing Chase, CI: The Crime Investigators, The Apprentice, Green Team Eco-Challenge, Secret Agent 007, Corporate Castaways, GPS Geocache, Cake Boss, Vegas Nights Casino and many more.

**Our various team building initiatives are chosen by well-known companies** such as PricewaterhouseCoopers, RIM, Bell Canada, Deloitte, TELUS, BDO, Rogers, Golder Associates and Microsoft. We are also a preferred supplier to many of Canada's top destination management companies and event planning agencies.

*"The participants were amazed and excited about their experiences during this event. What an impact on our team's morale! To say that your team exceeded our expectations is but stating the obvious. I am so thrilled to have worked with such a fabulous group of professionals."*
