Now available exclusively at The Westin Bear Mountain Golf Resort & Spa

Since 1992 Canadian Outback Adventures & Events has provided progressive organizations like yours with a unique suite of cost-effective team building events, all planned and executed with extraordinary attention to detail. Your company, like any progressive organization, understands the advantages derived from team building initiatives, such as improved morale, increased productivity and reduced staff turnover, and that continued investment in staff morale is of increasing importance in today's changing workplace.

**Booking your next event in the unique setting of The Westin Bear Mountain Golf Resort & Spa is a great business move.** This 6,000 square foot conference facility positions The Westin Bear Mountain as a distinctive addition to the Victoria conference market. Set against the stunning backdrop of a Jack and Steve Nicklaus co-designed golf course and with room for banquets of up to 330 and receptions of 800, this resort is the natural choice for a complete conference and meeting destination. Ensure the success of your meeting with the assistance of their professional conference services team and the use of our state-of-the-art technology.

**Including one of our team building events in your itinerary is also a great business decision.** If you're looking for a beneficial and enjoyable experience together as a team, we have many of our most popular events available, such as the Amazing Chase, CI: The Crime Investigators, The Apprentice, Green Team Eco-Challenge, Secret Agent 007, Corporate Castaways, GPS Geocache, Cake Boss, Vegas Nights Casino and many more.

**Our various team building initiatives are chosen by well-known companies** such as PricewaterhouseCoopers, Bell Canada, Home Depot, TELUS, Nokia, BDO, Rogers and Microsoft. We are also a preferred supplier to many of Canada's top destination management companies and event planning agencies.

*"The participants were amazed and excited about their experiences during this event. What an impact on our team's morale! To say that your team exceeded our expectations is but stating the obvious. I am so thrilled to have worked with such a fabulous group of professionals."*
